

The 1st International Conference on Lotus, Water Lily and Aquatic Plants 2010 and The 8th National Conference on Research and Development of Lotus in Thailand

<http://kurecoil.project.ku.ac.th>

July 10, 2009

Dear Madam/Sir,

On behalf of the Organizing Committee, it is our great pleasure to invite you to participate the 1st International Conference on Lotus, Water Lily and Aquatic Plants 2010 and the 8th National Conference on Research and Development of Lotus in Thailand, The conference entitles “Sustainable Lotus, Water Lily and Aquatic Plant Production for Better Quality of Life and the Environment” and will take place on :

20-22 October 2010

Kasetsart University Chalerm Phrakiat Sakon Nakorn Province Campus, Thailand

The meetings will provide an opportunity for researchers/participants to present papers on selected topics, to share information on their studies and expertise, to exchange experiences and to help in planning to improve lotus, water lily and aquatic plants production. The outcomes are expected to expand the growing areas of lotus, water lily and aquatic plants, sustainable production as well as an increase in the income of the farmers.

For the post-conference activities, we also arrange amazing and attractive programs for participants who want to visit Thailand more closely.

We ask you to register online at our website <http://kurecoil.project.ku.ac.th> by July 31, 2010. Should you have any questions concerning the conference, please contact me for more detail.

We look forward to seeing you at the meeting.

Yours sincerely,

(Assoc. Prof. Dr. Niran Juntawong)
